

connecting **KIDS**

Most of Nevada's public-school students will start the school year learning online, but not all Nevada students have access to the equipment they need to succeed in a virtual classroom.

At **Connecting Kids Nevada**, it's our ambition to connect every Nevada student in need with free, reliable internet and devices. Now more than ever, it takes a village to teach a child. Together as Nevadans, we must quickly mobilize to spread the word about Connecting Kids to ensure that all our children are set up for success by the first day of school.

In Clark County, we need to hear from all 316,000 students to ensure *everyone* has a connection to school. Help us help our students by filling out this short survey at www.ccsd.net/survey or call **888-616-2476**.
