Griddlecakes / Stacks & Yolks

We understand that the unexpected closures of schools in the Las Vegas valley creates extra hardships for some families as many children rely on school meals. As members of this community, we want to help to the best of our abilities. With risks of children not being able to eat, Griddlecakes and Stacks & Yolks would like to offer our services. Beginning Monday, March 16th, between the hours of 11AM - 1PM (Monday through Friday), children who are in need of a meal will be given a kid's pancake, eggs, and homefries. If your child depends on school meals, please stop by any of our listed locations to help fill their belly. No questions asked. We will continue to offer this to the community until schools are available to our children again.

We hope this will help eliminate one less worry during these difficult times COVID-19 has brought on our community.
